Dear Manx NFU Member

### **Membership 2021-2022**

Please find enclosed your Manx NFU membership 2021-22 renewal pack.

As has been the case in previous years, I would like to continue to ensure that all the details I have for each Manx NFU Member is up to date. In this respect, I would be grateful if you could complete the enclosed membership form and return it to the office, even if you pay by standing order or BACS payment, as this will ensure that I am able to keep our records up to date and that I am able to ensure that everyone is included in our updates and communications.

There continues to be many serious issues surrounding Manx farming with Climate Change and the roll out of the Agri-Environment Scheme being just two of many. The Manx NFU are working hard communicating at all levels with the Government, Processors and related parties and will continue to lobby for the best outcomes for our members and agriculture on the Island as a whole. It has also been an election year and the Manx NFU will continue to meet and engage with all new and returning Politicians to make them aware of all aspects of Agriculture. The Manx NFU will also continue to promote and educate the public regarding agriculture at every opportunity. It remains a real benefit in these challenging times to be a member of the Manx NFU.

The Manx NFU will continue to drive change, voicing the issues affecting our members ensuring your business can remain productive and profitable.

The Manx National Farmers' Union works very hard for all the members. Some of this work is not seen by the membership as a lot of the work is done behind the scenes, especially when working with the Government and Processors. Your membership is vital to ensure this work continues and having up to date details on the members assists a great deal in making sure the right work for you is being done.

Unfortunately for the first time we are having to introduce an additional levy of £2.50 to anyone who is paying by cheque. This is to cover bank charges for processing cheques and if you can pay direct to our bank account instead, we would be most grateful.

Please do not hesitate to contact the office if you have any queries with the information requested or any problems with payment.

Yours faithfully

Carolyn Lace  
Assistant General Secretary
